Decking

UK Sundecks is a leading supplier of high quality, uPVC decking, with a reputation for exceptional quality and service.

A high-quality deck is the perfect finishing touch to a park home or lodge and UK Sundecks supply and fit exactly that; moreover, the galvanised steel sub-frame and anti-slip uPVC decks supplied are much more durable than other types of decking, therefore particularly beneficial in the UK's variable weather.

Over 50 years of manufacturing excellence.

Omar Group is the UK's leading manufacturer of luxury lodges and park homes, offering an extensive choice of styles to suit a range of tastes and budgets.

We offer a wide range of floor plans and décor styles so you can choose the perfect look and layout. We also offer built-to-order bespoke options to suit your individual requirements – such as catering for additional needs.

As no two residential parks are the same, all our park homes are available in a choice of colours and finishings. A variety of window colours, soffits and rainwater goods are also available.

All our park homes are built to residential standard BS 3632, meaning they are suitable for use throughout the year and are built to last at least 50 years.
