How to find us

 From the A1 and the North – Join the A1 at the Newark junction with the A46, then follow until you merge with the A14 at Alconbury. Follow the A14 until you pass Newmarket where you will then merge left onto the A11. Follow until Barton Mills when you need to take the junction for the A1065 which takes you past RAF Lakenheath and into Brandon. Omar Group is located on the right just past the Factory Shop.

From London and the South - Take the M11 which then merges into the A11 at Great Chesterford. You will temporarily join the A14 but will then need to follow the A11 again just past Newmarket. Follow the A11 until Barton Mills when you need to take the junction for the A1065 which takes you past RAF Lakenheath and into Brandon. Omar Group is located on the right just past the Factory Shop.

Brandon has its own train station which is on the Cambridge to Norwich line run by Greater Anglia. Trains to and from this station run hourly to both cities with ongoing trains to London and the North.

If you are planning to travel by train, please let us know of your proposed time of arrival and we will endeavour for an Omar representative to collect you from the station and bring you to the showground.

National Express run services from most major cities to Thetford. Once in Thetford you can either catch the number 86 bus from the bus interchange to Brandon, or alternatively trains run every hour to Brandon station.

London Stanstead Airport is located 51.2 miles from our showground. Stanstead Express Trains connects to Cambridge train station where you can then change to the Cambridge to Norwich line which stops at Brandon.

London Luton Airport (70.7 miles) and Norwich International Airport (38.3 miles) are also within reach and also have an extensive range of destinations.

Cambridge City Airport is located on the outskirts of Cambridge 30 miles from our showground. It is possible to arrange charter and fixed-base operator flights to and from this airport.
