

31<sup>st</sup> May 2020

## We are open for business

Following updated government guidelines we are delighted to report that Omar Group is now open for business.

With the health and well-being of our colleagues, customers and communities being our priority, Omar Group has developed a comprehensive set of Covid-19 Secure protocols in line with Government guide lines.

As the UK's largest park home manufacturer, we remain-committed to delivering best in class customer service during this challenging time. We are accepting visitors by appointment to our sites subject to Covid-19 Secure screening and safe working protocols.

Monday 1<sup>st</sup> June marks the reopening of our showgrounds in both Brandon, Suffolk and Hull, Yorkshire. Please note they are operating with essential social distancing measures in place, as well as cleaning protocols before and after each visit. Our showgrounds are also operating by appointment only and opening times are currently Monday-Friday from 09:30am-4:30pm. To book your appointment today please call us on 01842 810673.

To prevent the spread of coronavirus and reduce the risk of exposure to our staff and visitors, we will, as standard be conducting a simple screening questionnaire as well as performing a temperature check upon arrival, for any and all personnel and visitors entering our offices and factories. Participation is mandatory, non-compliance or failure to meet the criteria, will unfortunately mean we cannot grant access.

As we attempt to ease back towards normality along with the rest of the UK, we would like to thank our team, our customers and our suppliers for their patience and support.
